Garden

Gold Collection can be used to create bold, luxurious, and elegant visual expressions in interior spaces such as homes, offices, hotels, and premium commercial environments. These tiles feature rich golden hues and refined surface finishes that enhance depth and brilliance, creating a striking play of light and reflection. Gold Collection tiles are ideal for feature walls, accent areas, and statement surfaces, adding opulence and sophistication to any space. They can be customized to match specific design themes or to highlight architectural elements in living areas, lobbies, bathrooms, and decorative walls. Architects and designers can integrate the Gold Collection into façades, interior partitions, and artistic panels to achieve a refined and high-end aesthetic. Retail and display spaces can also use gold-finish tiles to present products in a visually captivating and premium manner, enhancing shine, elegance, and overall design appeal.

Scratch Resistance

Freeze Resistance

Gold Collection can be used to create luxurious, elegant, and striking visual expressions in interior spaces such as homes, offices, hotels, and premium commercial environments. These tiles feature rich golden tones and refined surface detailing that add a sense of opulence and sophistication to any space. Gold Collection tiles are ideal for feature walls, accent areas, and statement surfaces, creating a bold yet graceful design impact. They can be customized to complement specific design themes or to highlight architectural elements in living areas, lobbies, bathrooms, and decorative walls. Architects and designers can incorporate the Gold Collection into façades, interior partitions, and decorative panels to enhance spatial aesthetics with a premium and high-end appeal. Retail and display spaces can also use gold-finish tiles to create visually captivating displays that showcase products in a luxurious and attention-grabbing manner, reinforcing brand identity and overall design elegance.
