Glazed Porcelain Stoneware

Introducing the Metrica Collection, where innovation meets elegance in tile design. Crafted with a unique dual-layer technique, these tiles feature a rough matte body that provides a robust and textured foundation. The top layer is a polished sugar grain finish, designed to catch and reflect light, creating a captivating sparkle on the surface. This interplay of textures not only enhances the visual appeal but also brings a sophisticated charm to any space. The Metrica Collection seamlessly combines durability with aesthetic brilliance, making it the perfect choice for those looking to elevate their interiors with a touch of luxury and style.
